## EDUCATION

- **B.Sc. in Computer Science & Engineering** 2018-2022  
National University  
CGPA : 3.47 / 4.00
- **Higher Secondary Certificate (HSC)**  
Central Women's College 2015 - 2017  
GPA: 4.83 / 5.00

## PROJECTS

### Warbitor – Manufacturing App

- Developed a responsive manufacturing dashboard using React, Tailwind, and DaisyUI
- Implemented Firebase Auth & Firestore for secure user management and data storage
- Used React Router, React Query, and Hook Form to manage navigation and async state

### Add-to-Cart Toy Store

- Built a single-page e-commerce UI with cart functionality using React Hooks
- Integrated local state logic for cart updates and total price calculation
- Wrote unit tests using React Testing Library & Jest

### Nerdy Fashion

- Designed and deployed a stylish fashion website with HTML, CSS, and JavaScript
- Applied UX principles for layout, typography, and interactivity

### Panda E-commerce Site

- Created a mobile-first e-commerce frontend optimized for speed and compatibility

## EXTRACURRICULAR ACTIVITIES

### **Public Relations Coordinator**

IEEE CS BDC Graduate Student Forum | 2025

- Managed communication with members.
- Promoted events via social media and internal channels
